¹Extra data charges may apply. Cellular data is provided by a third-party carrier, and availability, technology, and speeds will vary. May require backup power if the power goes out. Visit ring.com/alarm-pro for more details.

By purchasing or using Ring Protect, you agree to Ring's [Terms of Service](#) on behalf of yourself and all members of your household and others who use Ring's devices or services under your account, including our cancellation and refund policy, and authorize us to charge your default or alternate payment method. Your subscription will automatically renew and continue until you choose to cancel it, which you can do anytime by logging in to your account at ring.com. If you have more than one Ring device, prorated charges may be levied to align plan billing cycles. You'll be notified of any such charges. For more information, see our [Privacy Notice](#).
