

A bonus is still
waiting for you

Claim bonus

Carly, during HOOD Month you can still earn a margin transfer bonus.

Here's how it works:

- Consolidate your assets by transferring them to Robinhood.
- Join Robinhood Gold for \$5/month or \$50/year to get an uncapped 3% bonus on transfers of taxable joint or individual accounts that include a margin balance of \$100K+. Without Gold you'll earn 2%.

Plus, account transfers from outside brokerage accounts get a 1% bonus until September 15.
