What is the most affordable iPhone deal from AT&T?

If you're looking for the best AT&T iPhone phone deals, look no further! AT&T actually has two iPhones that are incredibly affordable: both [iPhone 15](#) and [iPhone 15 Pro](#) can be yours for \$0 per month*! To take advantage of this price, you'll need an eligible trade-in device to apply to your new iPhone.

To find out if your device is eligible, just [visit our trade-in page](#) and select the device you have, tell us about its condition, and share some additional information such as the IEMI number and a promotional code, if you have one. From there, we can tell you the value of your trade-in and you can apply it to a new iPhone purchase.

Is it cheaper to buy a phone online or in store at AT&T?

Whether you're looking for affordable cell phones from Apple, Google, Samsung, Motorola or any of the other top cell phone brands, you can find great deals either in-store or online with AT&T. If you prefer to shop in person, just go to [our Stores page](#) and use the search function to locate an AT&T store near you. If you prefer to shop online, you can find the same great deals on your preferred smart phone on [our 10 and Under page](#), featuring inexpensive cell phones to suit your budget

What is the cheapest, most reliable cell phone?

You can find a variety of inexpensive cell phones that are also reliable on [the AT&T 10 and Under page](#). For example, [the new motorola razr](#) can be yours for as little as \$2 per month*, provided you meet the qualifications. You can also get [the Samsung Galaxy S23 FE](#) for \$10 per month* with [a qualifying wireless plan](#). There are also great deals on the new iPhone 15 and the Google Pixel, all of which are reliable, top-of-the-line smart phones.

Who has the cheapest phone deals?

AT&T has a wide range of inexpensive cell phones, including inexpensive iPhones and Android phones. You can take advantage of deals as low as \$0 per month* depending on whether or not you qualify and have an eligible trade-in. Other deals range from \$5 to \$10 per month*, which may be dependent on [which wireless plan](#) you choose. Visit [your local AT&T store](#) or [our 10 and Under page](#) to find the best affordable cell phones for you!

What is the best and most affordable cell phone?

The best and most affordable cell phone is the one that matches your budget and smart phone needs. With a qualifying trade-in, you may be eligible for a phone that costs as little as \$0 per month.* Other affordable cell phones include options may be determined by your credit score, [the kind of wireless plan](#) you sign up for, and various other factors. Depending on the phone you chose, you may be able to get an iPhone or Android phone for \$5 to \$10 per month.*

Which Android phone is the best value for the money?

AT&T has a variety of affordable Android phones to choose from—it just depends on which one best suits your needs. [The Google Pixel 8 Pro](#) is a popular choice, which can be yours for as little as \$0 per month with a qualifying trade-in and unlimited wireless plan. [The Samsung Galaxy S23 Ultra 7](#) is another great option, which can cost you \$5.56 per month* with an eligible trade-in and unlimited wireless plan. To find more great deals on Android phones, [check our 10 and Under page](#).

***Limited Time.** Req's trade-in of eligible device and elig. unlimited plan (speed restr's apply). Price after up to \$1000 in credits over 36 mos. Other terms apply. All monthly pricing req's 0% APR, 36-mo. Installment agmt. \$0 down for well-qual. customers. Tax on full price due at sale. Restrictions apply.

Affordable cell phones from AT&T

Looking for cheap phones? AT&T has got you covered. When you're on a budget but you still want a top-of-the-line smart phone, AT&T has a variety of deals for \$10 and under. This includes popular brands you know and love, like the iPhone, Pixel, Galaxy, razr and more.

Trade-In and save

Whether you want an inexpensive iPhone or you want to save on the latest Android models, you can save with a qualifying trade-in. In some cases, you'll pay as little as \$0 per month* with an eligible trade-in! You can find out whether or not you have a trade-in eligible device by [visiting our trade-in page](#). Once you're there, select your device from the eligible options, tell us about its condition, and share some additional information *such as the IEMI number. Then, we can tell you the value of your trade-in and you can find out how much you'll save.

Enhance your deal with an unlimited wireless plan

Some of AT&T's most affordable cell phones are discounted based on the wireless plan you choose. With select phones, you can pay as little as \$2.78 when you supplement your trade-in with [an unlimited wireless plan](#) (**AT&T may temporarily slow data speeds if the network is busy**). AT&T offers a variety of wireless plans to choose from. Check out our wireless page to learn more and select the plan that helps make your smart phone of choice more affordable!
