

Ring Protect

You've got Ring Protect for the next month.

Your trial is live until {DATE}.

With Ring Protect, you can stay connected with 24/7 Backup Internet and enroll in Professional Monitoring¹ for 24/7 emergency support – plus much more.

[Subscribe Now](#)

Get connected. Stay protected.

24/7 Backup Internet helps you keep your business online – even if you don't have a connection at your jobsite.² Other benefits include:

- Consistent connection during an outage with 3GB of included data per month.
- Take your connection with you when you move Ring Protect to the next jobsite.
- Enroll to request help from an emergency response center at the touch of a button.

What's also in your trial.

Enable video recording on your device.

Always know what's going on with videos you can review and save.³

Protect your Ring devices with an extended warranty.

Enjoy extended coverage for all your Ring devices at your Ring Protect location.⁴

Save with an exclusive discount.

Save 10% on [select](#) Ring products at Ring.com and Amazon.com.⁵

Visit Ring Help for videos, plan details, and more.

[Learn More](#)

¹Additional charges may apply in areas that require permits or guard response service for alarm verification. Tax not included. Enrollment required. Ring Alarm professional monitoring service is available only within the U.S. (all 50 states, but not any U.S. territories) and in Canada (excluding Quebec). Ring does not own its own professional monitoring center. Check [Ring Protect Subscription Plans](#) for more information.

²Extra Data charges may apply. Cellular data is provided by a third-party carrier, and availability, technology, and speeds will vary. May require backup power if the power goes out. Visit [ring.com/alarm-pro](#) for more details.

³Your Ring videos are stored in the cloud temporarily, e.g., up to 60 days in the U.S. Check [Ring Protect Subscription Plans](#) for more information about your plan's retention period.

⁴Extended coverage warranty applies to Ring devices within their original warranty period when you subscribe to an [eligible Ring Protect Plan](#). Once the original warranty expires, the device will be covered under Ring Protect until you discontinue your subscription. Non-Ring and other third-party devices are not eligible for the extended warranty. [Read more about our warranty.](#)

⁵Terms and conditions apply. Amazon.com discount requires linking your Ring and Amazon accounts. See [10% Ring Protect discount terms and conditions](#) for more information.
