¹Additional charges may apply in areas that require permits or guard response service for alarm verification. Tax not included. Enrollment required. Ring Alarm professional monitoring service is available only within the U.S. (all 50 states, but not any U.S. territories) and in Canada (excluding Quebec). Ring does not own its own professional monitoring center. Check [Ring Protect Subscription Plans](#) for more information

²Cellular data is provided by a third-party carrier, and availability, technology, and speeds will vary. May require backup power if the power goes out.

³Guard Plus is available only to customers located in the U.S. You must have a supported Echo device to enable Guard Plus. To access Guard Plus benefits, you must link your Ring and Amazon accounts and complete Guard Plus setup in the Alexa app. The Alexa Emergency Helpline is not a 911 service and may not work during outages or if you're experiencing connectivity issues.
