# How to upgrade to the new iPhone 16 with AT&T

SEPTEMBER 10, 2024

## Why choose the AT&T network for your iPhone 16?

When you upgrade to the newest iPhone, you'll want to make sure you have a fast, reliable wireless network that can support its features. Having a faster network means you'll be able to stream videos, play games and share photos more efficiently. Every current [AT&T unlimited plan](#) includes access to 5G service for no additional cost, so you can make the most of your new with 5G speeds.<sup>1</sup>

Plus, with [AT&T Next Up Anytime](#)<sup>2</sup>, you can upgrade to the latest iPhone every year. For an extra \$10 per month, you can upgrade your cell phone anytime (after making your first payment) without having to worry about the remaining balance of your installment plan, so long as you turn in your current phone. Every year, or once you've paid off one-third of your phone's cost, you'll be eligible for our [smartphone deals](#) (maximum three upgrades in a 12-month period).

## How to add your new iPhone 16 to your

If you're an existing AT&T Wireless customer and want to buy a new iPhone 16 from AT&T and activate service for an additional line with an eligible unlimited plan (AT&T may temporarily slow data speeds if the network is busy), here's how it works:

- [Shop the iPhone 16 lineup.](#)
- Find the best iPhone 16 model for you.
- Click "Continue" at the bottom of the page.
- Under "Manage my wireless," choose the "Add a line" option.
- Log into your account and follow the prompts to either add the device to your current plan or select a new plan.
- Finish checkout and complete your order.

## How to upgrade to the new iPhone with AT&T

Ready to upgrade to the newest iPhone? Got your eyes on [iPhone 16 Pro Max](#)? If you're already an AT&T wireless customer, you can check your upgrade eligibility [in the myAT&T app](#). Just follow these steps:

- Download the free *myAT&T* app onto your phone if you don't already have it. You can download it from the major app stores or text "myATT" to 556699 to get a download link.
