## Is it cheaper to buy an AT&T phone online or in store?

While our website and stores carry the same phones, sometimes the deals can differ. For example, some AT&T phone deals are offered exclusively online. Before you head to one of our stores to take advantage of cheap phones and plans, make sure you [check our website](#) to see what kind of deals we have to offer.

---

## What is the cheapest way to get an iPhone?

Whether you already have a phone plan and want to upgrade your current phone, or you're looking for a brand new phone and phone plan, AT&T has some great iPhone deals. For example, you may be able to get a brand new [iPhone 15](#) and pay nothing per month with an eligible trade-in. Other models, such as the [iPhone 15 Plus](#), have offers that help lower your monthly payments with an eligible trade-in.

---

## Which iPhone is the best value for the money?

It depends on what your smart phone needs are. For example, if you don't have a lot of storage needs but you like a lot of features, you can opt for the top-of-the-line [iPhone 15 Max](#), but select 256GB instead of 1 TB of RAM. Similarly, you can opt for the [iPhone 15](#) with 512GB of RAM but less features. Either way, you can save when you trade in an eligible device.

---

## What is the cheapest way to have a smartphone?

AT&T phone deals are a great place to start when you're looking for an affordable smart phone. The best way to ensure you get a great deal is to [trade in your old device](#). You can then apply the value of your trade-in to your new phone. [Click here](#) to find out how much trade-in value you can get for your old device. If you don't have a device to trade in, AT&T still offers some great deals on a variety of smart phones that may require [a new phone plan](#).

---

## What provider has the best phone deals?

Again, this will depend on your smart phone needs—which model you choose, the device you have for trade-in, and other factors can affect the deal you're able to take advantage of. But AT&T always has great deals available on a variety of [the latest smart phones](#), so you can choose the one that's best for you and your budget.

Deals on phones from brand new models

## latest and greatest from AT&T

When you're in the market for cheap phones and plans, AT&T always has deals on all the latest smart phones to meet your needs—and your budget. Whether you're looking for [iPhone deals](#) or great prices on the latest smart phones from [Samsung](#), [Google](#) or [Motorola](#), AT&T even has phones that cost you as little as \$0 per month\* (with an eligible trade-in).

## to older classics

AT&T phone deals aren't just reserved for the newest, top-of-the-line smart phones. We also offer deals on the later model iPhones, such as the [iPhone 14](#), [iPhone 14 Pro Max](#), or the [iPhone SE](#). You can also find great deals on older model Android phones like the [Pixel 7a](#) and the [Samsung Galaxy A54 5G](#).

## Take advantage of the latest smart phone deals

Ready for a new iPhone 15? With AT&T, you can get cheap iPhone deals that lower monthly payments and even bring it down to \$0 per month. If the [Samsung Galaxy S24 Ultra](#) or new [Motorola razr](#) is more your speed, you can trade-in your eligible device to get our best offers.
